Write something special that you would like Santa to bring you or your family:
Knowing the people of Waveland still want to take care of their displaced "family" is enough.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

it. Two days after the Storm we'd received so many mixed reports of what Waveland looked like that, we were at odds at whether to try and return with our 9 mo. old or not. We opted for not and traveled to Winterhaven FL., where my in-laws live. After 2 weeks my husband received a call from his boss, Thomas Sones, and set out to help get some of Waveland back in order. After he returned and reported to me just what we and everyone we knew had lost, I made the decision to never run from another Hurricane again. My family from Waveland had settled in a small "Waveland-esque" town called Tifton and after a week visit - I rented a house for me and my two little ones while my husband remains in MS. I'll always love and miss my hometown and wish everyone rebuilding it the best.
